Office Hours

Mon-Thurs 8-4/Fri 8-12

As Wrightsville United Methodist continues to grow, so do our needs. We've hired two new people this summer who are contributing to our church in very important ways. We'd like for you to know a little more about them and what they do. First is Don Jenks, our new Building Superintendent. The second is Madison Pleasant, who is our Communications and Marketing Assistant. Don works Monday through Friday in the mornings and Madison is able to do the bulk of her work from a remote office, so you won't be able to find them in a traditional office on Sunday mornings. Nevertheless, what they do is essential to helping us make disciples for Jesus Christ.

1) **Where did you grow up?**

I grew up in Raleigh with my parents, Tracy and Tracey, and my brother, Taylor. As a family we have always been avid beachgoers and share the love to fish!

2) **What is your church background? School background?**

As a family, we attended First Presbyterian Church Downtown where my brother and I were very active in the youth program. I traveled on several mission trips and frequently volunteered for community service acts with the youth program. I attended UNCW for undergrad with a degree in business administration with a concentration in marketing.

(continued on page 2)

1) **When did you join the staff and what is your position?**

I joined the staff in March 2018 as the Building Superintendent.

2) **Where were you born and raised?**

I was born and raised in the Bronx, N.Y. The youngest of five, with 2 older brothers and 2 older sisters.

3) **Do you have any family?**

Yes, I have a wonderful and lovely wife, Laura, of 32 years and 2 children. A daughter, Kaitlin, who lives in N.Y. and a son, Kyle, of Wilmington.

(continued on page 2)

(continued from page 1)

I was a member of the Chi Omega Fraternity (technically a fraternity but it is a sorority) where I gained life long friends! We spent time volunteering and supporting each other throughout out 4 years together. After spending a semester in Florence, Italy in my senior year I knew I wanted to pursue higher education. Following undergrad I attended Savannah College Art and Design for my Masters of Arts in Luxury Brand Management.

3) **How did you become interested in doing communications?**

I studied and always had an interest in marketing. However, I truly began my career in communications while in Savannah for grad school where I began working in the Marine Industry. I became the Marketing Manager of a globally known marine company, Release Marine. Following graduation I had more members in the established marine industry contacting me for my services and to join their businesses, as well. That is what led me back to Wilmington. I created Maritime Communications in August of 2017 and have been working with all different types of businesses ever since. I primarily focus on social media, advertisements, graphics and websites.

4) **Why did you feel called to work with us at Wrightsville UMC?**

I felt a special bond with Wrightsville UMC when I heard Rev. Christina Turner preach at the Easter Sunrise Service. Recently my brother, sister-in-law and nephew have made this their church home. When I had the opportunity to interview with the church it didn't even feel like an interview. I was sitting in a room with 5 other women and felt as if I was talking with friends I had known for years.

5) **When you are not working, what do you like to do?**

When I am not working you can find me fishing on the boat at Mason's Inlet or visiting my friends and family! My true passion is traveling and learning about all types of different people, cultures and religion. Traveling helps me feel more connected to myself and to God.

(continued from page 1)

4) **What is your favorite thing about working here?**

The new experiences and the people I work with are outstanding. Also, the parishioners that I have come in contact with are friendly and helpful.

5) **What do you do in your free time?**

I like to spend time with my wife, family and friends. I am also a sports fan-baseball and football, especially.

Did You Know?

Did you know that when you can't be here on Sunday, or would like to listen to a service again, that there are two ways you can do that?

1. Go to our website at www.wrightsvilleumc.org.
2. Under "Worship" click on "Sermons"
3. Scroll down and find the date/title of the sermon and click on "Listen Now".
4. When it comes up, click on the ►, wait for it to download and you'll be ready to listen!

Or, you can...

...fill out a Sermon Request Form in the turquoise plastic container outside of the front office. It will take a week or two, but check back and you'll get a CD of the requested week's sermon.

Ruth Circle will meet Monday, 09/10, at 10:00 a.m. in the Parlor. New members are welcome! For more information, contact Marie Cooke at 620-4241 or at marievcooke@gmail.com.

Please make plans to join us on Tuesday, October 2, for the next STARS lunch!

Hello, Friends...

...I have been so lonesome lately– and I have felt so empty. I am sitting in the Narthex just hoping to see your smiling face and feel some coins dropping in! Love from your friend...the Pennies and Prayers Jar in the Narthex. All money collected goes to women and children who are in need in our community.

United Methodist Men Fish Fry/Oyster Roast

We are making plans now for our annual Fish Fry/Oyster Roast! We'll have great food and great fellowship and as always, it's for a great cause. Watch for more information in the upcoming bulletins and the October Seagull!

Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me. --MATTHEW 25:40

Stephen Ministry by Beth Perry

This is going to be short and sweet! If you have EVER thought about becoming a Stephen Minister, NOW IS THE TIME. Training begins September 11, so time is short.

Our ranks have dwindled as several Stephen Ministers have had to step aside. The reasons vary from job pressures to family problems to a move out of town. Whatever the reasons, we miss these dedicated, caring people and we need several more to step into this important ministry.

We have a couple of Stephen Ministers who are caring for two Care Receivers. We don't usually ask them to serve but one at a time but we can't turn people away because we are short of Stephen Ministers.

Males-please, we need you! Females-everyone who has stepped aside is female so we desperately need you. You know what we do. We meet with our Care Receivers (usually once a week for about an hour) and listen to their story. We listen without judgement and without trying to "fix" them. We offer Christian Care Giving for those who are broken and need support without judgement-compassion and caring without demands.

Generally, friends and family have an agenda when you have problems and try to promote that agenda to fix the situation. Stephen Ministers have no agenda other than listening and caring for their care receiver.

Again, if you have ever thought about it, please take action. Call Janis Norris at 509-9608, Beth Perry at 231-2369 or Martha Brenner at 319-7808.

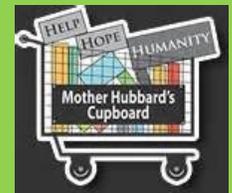

Mother Hubbard's Cupboard by Dick Chapman

As you know, we are huge supporters of Mother Hubbard's Cupboard, and there are many people at Wrightsville UMC who volunteer with this wonderful organization! They are still in need of peanut butter, so pick some up while you are out shopping!

MHC is also looking for a volunteer Treasurer's Assistant. Duties include:

- Pick up mail weekly from the Cupboard, the PO box and Grace UMC
- Scan checks, envelopes and bills into a computer file and send to the Treasurer, Steve Black.
- Send donation information to board member, Marie Cooke, for thank you notes.
- Must be computer literate and have attention to detail
- The Cupboard will provide a scanner/copy machine if needed.

Contact Roxann Lansdown at 910-398-3520 or Dick Chapman at 910-686-5625 for more information.

Project Agape Christmas Boxes

WUMC is once again sponsoring Project Agape Christmas Boxes in Armenia. If you'd like to participate, you can go by the table in the Narthex, pick up a box and a list of specific items to be placed in the box.

The deadline to turn them in is Wednesday, September 19. If you have any questions, please call the church office at 256-4471.

Thank you...

What a pleasure it is to get to know many of you! Slowly, but steadily, I am making rounds to see you—especially if you are homebound, alone, hospitalized or a proud resident of one of the retirement communities! It is good to get to know you and have a prayer together. I am coordinating visits through our wonderful Mikki Perry, so please call the church office to schedule a visit if we have not called you!

With fall programs starting back, I look forward to running into many of you at STARS, or Sunday School, worship or other activities. What a great time to be part of Wrightsville UMC.

Hope Vickers

Thank you!!!!

As we approach in September Rick's 10 year "Birthday" of his stem cell transplant for Non Hodgkin's Lymphoma, we once again would like to acknowledge God's Greatness and Mercy, and thank our Church family as well for all the prayers, cards, pastoral visits, coffee mug flowers, Sunday school cards and crafts and just for being there for us both. We are Blessed and our prayers go right back to each one of you.

Thank you all!!!

Rick (aka Mr. Whistles) and Kate Keenan

College Student in the Family?

If you have a college student in the family, College Connection and the United Methodist Women want to know!

We'd love to be in touch with them throughout the year.

Please email current address to:

donna@wrightsvilleumc.org

Thanks!

What a great summer for our first ever "College Connection!"

"College Connection" was created as a way to keep our youth connected even after they enter college. This summer we offered four "College Connection" events using our marina as our outdoor meeting space and our boats as a way to get our college youth connected.

Marty and I have three children of our own, two who are still in college and one who recently graduated from college. We know first hand how important it is for our kids to stay connected to other young people of faith and to invite others to join. We also know how important it is for our college-age kids, and the college students in our church and our community, to know the WUMC family cares about them and is here for them.

From a beautiful sunset cruise to boating out to Masonboro Island for a bonfire and smores, we have enjoyed using our God-given resources to provide the boats and the space to host "College Connection." Our last event was retrieving our crab pots from Lollipop Bay and bringing them back to the docks to steam.

Please help us spread the word about "College Connection!" As part of the body of WUMC, we want to stay connected to our college youth, and help them stay connected to one another during their college years. We will be planning more events throughout the year, and next summer, as we work to grow this college ministry.

If you would like for us to stay connected with your college kids, or other college students you may know, or if you are a college student and want to participate in future events with other college students, please contact Marty and me at 919-889-4777 or email susan@susanhite.com or marty@seagateboating.com. We will add you to our group list and keep you informed all year long!

A special thanks to our fellow-WUMC members, Donna and Jerome Pinckney, who not only have become good friends to Marty and me, but who really stepped up and partnered with us on this new ministry. We especially loved Jerome's homemade ice cream at our events!
