March 1, 2019

Wow, last month was a whirlwind of activity as we enjoyed Valentine's Day, our annual Pajama Party and celebrated Dr. Seuss' birthday. THIS month MAY be the ONLY month in the school year that doesn't include a hurricane, holidays, conferences or any other major event.

We will look forward to welcoming Springtime! You know we are big proponents of hands-on, tactile experiences and with all the offerings of the new season ahead we look forward to discovering more about God's beautiful creation. We will learn more about how plants and animals grow, about light, rainbows and shadows and have a better understanding our responsibilities in taking care of the world around us, which includes people, places and things.

Please mark your calendars for these important dates:

Mar. 26 and 28 Tues/Thurs

Individual and Class Pictures- Please see details below and BE SURE to sign permission slip!

Details about Picture Day- Tuesday, March 26th will be our annual picture day. As is our tradition, we will walk the kids one block south of the church and over to the Sound for individual and class photos. We have scheduled Thursday, March 28th as a rain or make up date. We are fortunate to again have Cornel Faddoul as our photographer. If you have siblings in the program and want shots of the two of them together or you would like Cornel to photograph your child with siblings who are not yet in the program, she will be happy to do that. Just let us know in advance. We will have permission slips in each classroom for you to sign that will allow us to walk the children over to the sound.

Safety Check and Friendly Reminder - Please be sure your **preschooler and their younger siblings** are supervised **at all times** when entering and exiting the building. Please hold hands crossing the street and in the parking lots. **We appreciate you reiterating this information with sitters, nannies and grandparents who may be dropping off/picking up the kids.** We love all the kiddos, so SAFETY FIRST!! Please don't allow them to play on stairwells and with the water fountains or wander down hallways or into offices unattended. Since our preschool staff can't be in two places at once, prior to being dropped off at their classroom door and after being picked up at Goodbye Time, parents or designated caregivers are solely responsible for our preschoolers and their sibling's safety and well-being. Thank you very much!

THANK YOU! THANK YOU! THANK YOU!

To Bridget Bendjy (Brock's Mom) for scheduling officers from the Wrightsville Beach Police Dept. to visit during "Pp" Week. The children enjoyed getting to know these community helpers as they did an outstanding job of relaying to the children the many duties a police officer in performs! The kids also appreciated the great goody bags from the Police Department, and of course one of the highlights was getting to check out the police car!

To Erin Uebele (Jade's Mom) who introduced the letter Qq to us by pretending our sandbox was a "Quarry" and the children hunted for large chunks of quartz, some quarters and other coins. A great quest was had by all!
