

## Wrightsville United Methodist Preschool News

March 1, 2020

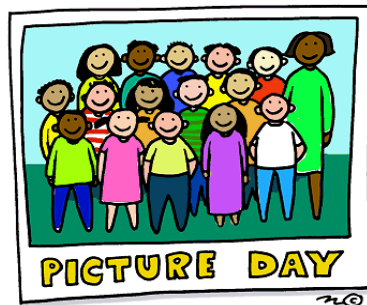

We will look forward to welcoming Springtime! You know we are big advocates of hands-on, tactile experiences! With all the offerings of the new season ahead, we look forward to discovering more about God's beautiful creation. We will learn more about how plants and animals grow, about light, rainbows and shadows. We will also gain a better understanding our responsibilities in taking care of the world around us, which includes people, places and things.

Please mark your calendars for these important dates:

## Kindergarten Registration

New Hanover County Schools will hold kindergarten registration March 2-13. Last Thursday we handed out packets to families who children will be attending kindergarten in the fall. These packets were provided through Smart Start and contain a lot of great information about what you will need to have with you when you register and also some great suggestions on how to continue to prepare your child for kindergarten.

Details about Picture Day- Tuesday, March 24th will be our annual picture day. As is our tradition, we will walk the kids one block south of the church and over to the Sound for individual and class photos. We have scheduled Thursday, March 26<sup>th</sup> as a rain or makeup date. We are fortunate to again have Cornel Faddoul as our photographer. If you have siblings in the program and want shots of the two of them together or you would like Cornel to photograph your child with siblings who are not yet in the program, she will be happy to do that. Just let us know in advance. We will have permission slips in each classroom for you to sign that will allow us to walk the children over to the sound.

Safety Check and Friendly Reminder - Please be sure your **preschooler and their younger siblings** are supervised at all times when entering and exiting the building. Please don't allow them to play on stairwells or use the front door safety rails as a jungle gym. Since our preschool staff can't be in two places at once, prior to being dropped off at their classroom door and after being picked up at Goodbye Time, parents or designated caregivers are solely responsible for our preschoolers and their sibling's safety and well-being. Thank you very much!

**THANK YOU! THANK YOU! THANK YOU!**

To Liz Ham (Sara James' Mom) for visiting during "Oo Week" and setting up a terrific obstacle course on the playground to challenge our children in a fun and active way!

To Will Phelan (Widdy's Dad) for scheduling officers from the Wrightsville Beach Police Dept. to visit during "Pp" Week. The children enjoyed getting to know these community helpers and checking out their police vehicles. They also appreciated the great goody bags from the Police Department!

To Peyton Earey ( Sutton's Mom) who introduced the letter Qq to us by creating a "Quarry" for the children to hunt for of quartz and quarters. It was a great quest!

**....Sunday March 8th, 2:00 am!!!!**

**We still have at least one opening in each age group for this fall. We don't want anyone to miss out on our sweet little preschool. Please share!**
