## The New Normal Won't Be Normal

With the continuing threat of COVID-19 we've all learned to adapt to a new sense of what is normal. As I look toward the near future at Wrightsville United Methodist Church and the continued hope to get back in the building soon I can anticipate including some of these adaptations into our gatherings at the church.

First of all, not everyone is going to feel comfortable coming back at the same time. I suspect it will still be a while before we worship together again in the building; but small groups of less than 12 (a very Biblical number) will be allowed to meet once the state moves to Phase 3 in its re-opening plans, and groups larger than 12 will be allowed to meet outside. If you are in such a small group I want you to know that we will continue to offer remote learning, such as zoom, so that you can participate from home. Don't feel bad for taking that option; and for those who feel comfortable coming to meet in person, please do all you can to include those who feel safer continuing to social distance for now.

When people do come to a church meeting, class, or event they will be expected to wear a mask and have their temperature checked. I know that sounds really inconvenient; but please show your love for your neighbor by doing the right thing here. Also, you will find more hand sanitizers throughout the church than we had before the viral outbreak began.

Worship... Oh, how we have talked about this about a thousand different ways! I suspect everyone has an opinion. We know that it would be irresponsible to put 300 people in the sanctuary together. Even 200. Even 100. Given the growing numbers of cases in New Hanover County over the last month, I think we're still several weeks away from worshipping together in the building, maybe even several months. I'm personally excited about worshipping outside, though. That's a time honored tradition from Jesus' Sermon on the Mount to John Wesley's "Field Preaching," so I'm looking forward to taking part in this practice. Plus, it appears to be a much safer way to meet for now. So, we are still planning to have morning worship outside at the Wrightsville Beach Park sometime after the state moves to Phase 3; and Sundays at Six will meet outside at the South Channel Park near the church. Even so, we will continue to offer a video option much like we've been doing over the past four months for those who would prefer to stay home.

Fellowship Events... I suspect these will continue to be suspended for a little while longer, too. That goes for the fellowship time between the worship services to the Youth fund-raiser dinners and the breakfasts cooked by the Methodist Men. For fund-raisers that are still planned months from now we'll just have to wait and see. I hate living with so much uncertainty. These events are fun and they build community. We need them. They are a very critical part of church life. Hopefully, these events can be re-instated in the next few months; but it is probably better to start thinking about other ways we can connect with each other in the meantime.

(continued on page 2)

(continued from page 1)

I have been so proud of how our church has responded to this unprecedented event. We're all eager to get back to the old normal. But, I think it is going to come in segments. We'll get back to normal a little bit at a time, and continue to be flexible so that we can minimize the possible spread of this disease.

I know these are strange times; but I encourage you to join with me in this Psalm written by King David.  
Psalm 34:1-3:

- I will bless the LORD at all times;  
his praise shall continually be in my mouth.  
2. My soul makes its boast in the LORD;  
let the humble hear and be glad.  
3. O magnify the LORD with me,  
and let us exalt his name together.

May the Peace of Christ be with you,  
Pastor Doug

## PICK YOUR FAVORITE HYMN!

August 30th is  
"Pick Your Favorite Hymn" Sunday at  
Wrightsville UMC!

What's your favorite hymn?  
In our virtual morning worship service on  
August 30, we will be singing a few of your favorites, but  
we need to know what they are!

Please let us know your favorite hymn from the traditional  
United Methodist hymnal by Monday, August 17, by  
emailing Julia at [julia@wrightsvilleumc.org](mailto:julia@wrightsvilleumc.org).  
We look forward to hearing from you!

## AUGUST IS...

# CAMP MEETING MONTH!

**Musical Offerings in August!**

August 2, 9, 16, 23  
Jewell Family & Friends

August 30  
"Sing Your Favorite Hymns/ Staff Sing"

Each August, we continue the camp meeting  
tradition at Wrightsville UMC as our worship  
services are characterized by special music and  
personal testimonies. We're looking forward  
to worshipping with you online and encourage you  
to invite a friend to watch!

Help us celebrate "camp meeting" during August by sending us a brief  
(appropriate) video of your kid's best "Glory Hallelujah Jubilee" dance or of  
you singing your favorite line from the song!

We will run these at the end of our Sunday morning services!  
Please send your videos to [julia@wrightsvilleumc.org](mailto:julia@wrightsvilleumc.org).

"Well, he picked me up; he turned me 'round. He set my feet on higher ground.  
Glory, hallelujah, jubilee!  
He gives me peace, he gives me joy this old world cannot destroy.  
Glory, hallelujah, jubilee!  
All my life was filled with sorrow, there was not a bright tomorrow.  
Days were dark as night, the light I could not see.  
Since he came to me I'm singing, such a melody is ringing.  
Glory, hallelujah, jubilee!"

## Missing those Super Summer Breakfasts at Wrightsville UMC? Us too!

The Summer Breakfast Cook Team is also missing the fun so lets show them some love by keeping the spirit of fun & fellowship alive!

Show us those super breakfasts you're making at home by taking a picture and posting on social media with the **#wumcsummerscramble**.

We can't wait to see you (in those pics, of course!) for breakfast every Sunday in August!

**For every picture posted with the hashtag... the church will donate \$1.00 to Mother Hubbard's Cupboard!**

If you would like to put flowers on the Altar on a specific Sunday in honor, memory, or celebration of someone, please call the church office at 910-256-4471.

If you would like a copy of the daily devotional, The Upper Room, please call the church office at 910-256-4471 and we can either mail one to you, or leave you a copy under the covered parking lot at the church, by the door.

The Wrightsville United Methodist Church Outreach Committee supports and nurtures individuals and organizations who are in need in our community, nation and world. We also seek to provide members of our congregation opportunities to define their own ministry in service of Christ.

Our next Blood Drive is:  
**Monday, August 10**  
**9 am-2 pm**  
**in the Fellowship Hall**

For more information or to sign up please contact the church office at 910-256-4471.

During the month of August our Outreach Committee will be spotlighting **THE HELP HUB**, a collaborative outreach program providing short-term or emergency assistance to individuals and families in need of financial help and/or guidance to connect them with additional resources.

**The HELP HUB** is a part of **The Harrelson Center**. Operations and client assistance are supported by the center, area churches, volunteers and caring individuals and organizations.

Concerns about paying rent in July and August are real for many. Stimulus payments are long spent, and the Governor's prohibition for evictions for nonpayment ended for those renting from private landlords. Government subsidized rental collections and evictions will resume at the end of July. In addition, the moratorium on utility disconnections for non-payment ended in July.

As a result, requests for assistance have greatly increased! Wrightsville UMC has financially supported **The Help Hub** for many years, and will continue to do so.

Are you looking for a meaningful way to volunteer? The Help Hub is always in need of volunteers to answer phones and assist with online applications for assistance. For more information please contact Kathy Busby 910 612-2690.

### Mother Hubbard's Cupboard

Mother Hubbard's Cupboard is looking for donations! Some specific foods needed are legumes (dried or canned), cereal, mac & cheese, healthy & low sodium soups, toilet paper, and paper bags (they have plenty of plastic ones.) You can drop off donations in the plastic tub outside of the church under the covered parking. You can also take them to MHC on the 4th Friday of the month between 11 am-1 pm. They are located on the corner of Red Cross & 4th. Please take donations to the entrance on 4th Street.

If you are unable to shop, please consider making a monetary donation by going online at <https://pushpay.com/g/wrightsvilleumc?src=hpp&r=monthly> and put "Mother Hubbard's Cupboard" on the memo line.

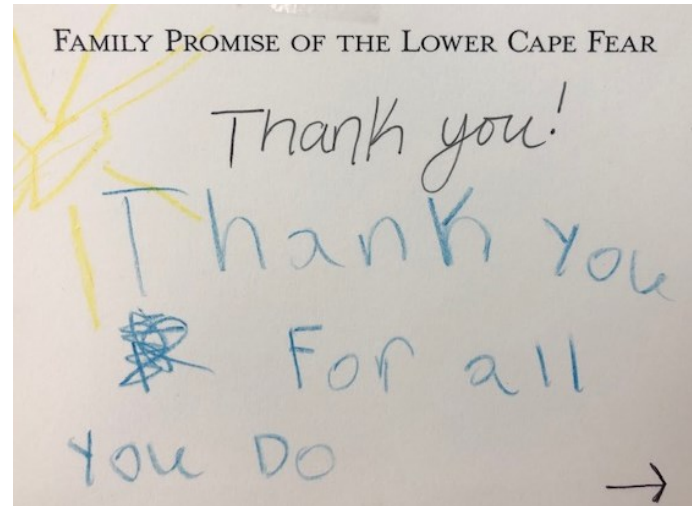

Last month we reported that Wrightsville UMC family had donated over \$20,000 for our Nourish kids...as of the end of July, the total is now over \$24,000!  
Thank you, Wrightsville!

Thank you to everyone who donated to WARM (Wilmington Area Rebuilding Ministry), Walking Tall, Mother Hubbard's Cupboard and Mission of Hope - Rotifunk Hospital!  
Thank you for supporting the Vacation Bible School project!

Thank you for your continued support during the pandemic.

THANK  
YOU!

Hi Friends at WUMC!

I just wanted to reach out and give you all a very heartfelt thank you for ALL the first aid kits and support you all gave to us with our recent Expo and POD exercise. Wow! They really were a blessing to those receiving them. I overheard a few people say they never expected such a nice first aid kit, or to be receiving such useful and needed supplies.

Overall we handed out the hurricane prep starter kits with your first aid kits inside and a variety of cleaning supplies in buckets, kids go-backpacks, document protectors, preparedness information in two languages on how to better prepare and a list of what you would need, and non-perishable food boxes. All of the supplies got passed out rather quickly! As they were pulling up to receive the supplies, we felt so much appreciation. It obviously was greatly needed as we started running out in a little over an hour. Folks were lined up for more than a mile before our volunteers even arrived around 8 am.

Please pass on my thanks for the generosity and kindness of the church members of Wrightsville UMC! Over 1,600 individuals and family members were touched by the 500 or more distributions between the two sites; Church of Jesus Christ of Latter Day Saints and Harbor United Methodist. And that could mean a huge difference on how badly impacted someone is during another natural disaster.

We look forward to coordinating with you all in the future as we continue to encourage the community to be "Prepared not Scared." We would be happy to have your involvement in our future activities and LTRG trainings as well!

With sincere gratitude, Ginny Peterson and Audrey Hart: @ New Hanover Disaster Coalition
