From Scottsdale to Wrightsville

Recently, I was honored to be invited to a gathering of the Senior Pastors of the 100 largest United Methodist Churches in America. It was called The Leading Edge and took place in Scottsdale, Arizona from February 18-21. It was great to learn what some of the largest churches in America are doing well, and to discuss where we see the United Methodist Church going in the future.

Together, we looked at denominational data, and the effect of disaffiliations on local conferences and regions. We looked at how ministry has changed since Covid-19 and what we expect might happen at this year's General Conference in April. We studied scripture and talked about the marks of vital United Methodism. We even talked about the increase of people in America who claim to be affiliated with no religion at all and why United Methodists might be particularly poised to reach these folks. At the conclusion of our time together, the leader of the largest UMC in America, Rev. Adam Hamilton, challenged us to go back to our home conferences and use our gifts and influence to help revitalize the United Methodist Church in our areas.

Well, Wrightsville UMC has already been working on that! Several months back the New Faith Communities board of the North Carolina Conference reached out to us to see if we would host our own version of the Leading Edge for the 40 largest churches in our own annual conference. They chose us not only because we have such a beautiful setting near the beach; but because they wanted to learn about our plans with the Oleander campus. This event is going to take place March 5-6 and I am really excited about the possible outcomes of this time together. Not only will we have the senior pastors, associates, and executive directors of the 40 largest churches in our conference; but we will host the bishop and district superintendents, as well. As of this writing, 72 people have made plans to attend.

There are three main goals for this gathering:

- 1) To simply get together with other senior pastors, associate pastors, and executive directors from churches who have similar resources and similar needs to get to know one another better.
- 2) To learn best practices from one another.
- 3) To discuss how we can help revitalize the annual conference after a season of disaffiliations.

This is going to be an important event for our annual conference, and we are proud to play the role of host church. I hope you will join me in praying for its success.

May the Peace of Christ be with you.

Pastor Doug

LENTEN ALTAR

As you may notice, the lovely fresh flowers that usually dress our Altar are not there this month. For Lent, as is our tradition at Wrightsville, we do something “different” for our visual focus. This season, we have a single piece of driftwood, holding several individual succulent plants. As part of our corporate spiritual journey, we are reminded of the very essence of our life of faith. With very little, these tiny succulents exist. We deny ourselves of the beauty of the weekly fresh flowers as we focus on our journey through Lent. How special it will be at the end of these forty days when we celebrate Easter with lilies and our traditional flowering of the cross. We will make the barren, chicken wire crosses beautiful with hundreds of fresh cut flowers.

Thank you so much to our flower team, under the direction of Kathy Gresham, for keeping our church full of beautiful flowers!

From the Choir Loft:

As you may have noticed, our chancel choir and handbell choir are participating in worship throughout the Lenten season. This month, we will also have services led by our children's and youth choir as well.

EXCITING THINGS HAPPENING AT WRIGHTSVILLE ON OLEANDER!

Join us on March 10th for a Sneak Peek of our
new extension campus,

Wrightsville on Oleander!

You will have the chance to tour the space, hear
about the ministry that it will house, and find out
how you can be a part of it.

Are you ready for it?

Join Pastor Julia for a night of exploring the surprising connections (dare we say invisible strings) between our faith and the music of Taylor Swift! We will share dinner, have a Bible study, and — of course — sing and dance to Taylor's songs. So if you have a blank space in your calendar on April 12th at 5pm, write this down.

All ages are welcome and RSVPs are encouraged (as are Taylor-inspired outfits!).

big thanks!

As many of you have heard, I was involved in a traffic accident on January 10. While I was stopped at a stoplight, another car rear-ended mine at a high rate of speed, knocking me into the truck in front of me. The result was that my car was a total loss, and I was taken by ambulance to the ER. Thankfully, I had some badly bruised ribs which were painful, but nothing broken. Binky and I are so thankful to be a part of a great church family. We are thankful for the individuals who brought food to us and also those who gave gift cards for food. The food was so good. In fact, we almost complained to the Town of Leland about the city water because all of our clothes were shrinking. Then we realized it was just all that good food that was provided for us by folks in our church!!! I am also grateful for the text messages (from youth & adults) that I received in the ER and after my release. Also all the phone calls and cards were much appreciated. Above all, thank you for prayers on my behalf. I certainly felt very cared for and appreciated. I am so thankful to God for the wonderful blessings of being one of your pastors, serving with an outstanding church staff, and being a part of WUMC!

Blessings,
Pastor David

bountiful fruit

The Wrightsville United Methodist Church Outreach Committee supports and nurtures individuals and organizations who are in need in our community, nation and world. We also seek to provide members of our congregation opportunities to define their own ministry in service of Christ.

A big thank you to the members of Wrightsville UMC. Because of your generous giving on Christmas Eve, Mission of Hope: Rotifunk Hospital was able to purchase this motorbike. On board, is Aminatu Jalloh, the Coordinator for Letting Girls Be Girls, a program sponsored by Mission of Hope at the Rotifunk Hospital. Letting Girls Be Girls organizes clubs at nearby schools, promoting the importance of education and the avoidance of teenage pregnancy and early marriage. But Aminatu did not have a means of transportation to travel beyond the local schools. Now take a look at the photo again and see the big smile on her face. Her dreams have become a reality because of your generosity!

Thank you for your continued support of Snipes Academy!

With your help, every student got to go to a movie theater as a Christmas treat, the kindergarten classes have been to the Fort Fisher Aquarium, and this month, another group will tour Tryon Palace.

You are helping to broaden the education of over 400 students!
